

## Looking Forward to New Learning!

Circular for the Months:  
February-March'15 Class- Nursery

Dear Parents,

With the session concluding, the children will take their learning to the next level in the domains of Academics, Life Skills and Talents. They will experience the bliss of learning by listening to different stories and their skills will be enhanced by interesting activities like clay modelling and hand impression. Not to forget they will enjoy the festival of colours, Holi! with a lot of vigour.

The highlights of all the three components of education namely Academics, Talents and Life Skills are as follows:

### ACADEMICS

#### English

- Developing the skills of listening and speaking through fun activities, games, dramatisation and free conversation
- Following simple instructions
- Revision of letters done till now
- Developing the skills of recognition, phonic sound, vocabulary and writing of letters 'x', 'q' and 'v' through rhymes, flash cards, word wall and games
- Identifying words that have the sound of 'x', 'q' and 'v' through various games and activities
- Rhymes: Ox and fox, Quack quack duck and Veera, the Brave.
- Cluster ending story: Animals having fun
- Making and writing simple words using letter-sound relationship and sight vocabulary
- Reciting and writing sequence of letters from a to z

#### हिंदी

- कक्षा में बच्चों को हिंदी से परिचित करवाने के लिए कुछ कविता व कहानियाँ सुनाई जाएंगी। बच्चों को दो सत्रों के अंतर्गत मौखिक रूप से अपने विचारों व अभिव्यक्ति को बाँटने का अवसर दिया गया है। बच्चों को इस सत्र में स्वयं कहानी बनाने और कक्षा में अपने साथियों को सुनाने का अवसर दिया जाएगा। बच्चों को चित्र पठन से भी परिचित करवाया जाएगा। बच्चे चित्र-पठन को आधार बनाकर अपनी अभिव्यक्ति कक्षा में बाँटेंगे।

#### Mathematics

- Capacity
- Number and Order
  - › Introduction of numbers 18, 19 and 20
  - › Order in numbers: Before, after and in between (1-20)
